### Pre Bidding

Pre sale bidding via AuctionsPlus has been put in place to help prospective buyers. We believe that most buyers go into a sale with a budget in mind.

Lets say that lot 10 is your best pick in the sale. Also assume you have a budget of \$8000. Second & third picks are lots 3 and 7 if you wait until the live auction and lot 10 goes for \$12,000 you have missed out on your next two picks of lots 3 and 7 if you had participated in the pre bidding and lot 10 had gone over you \$8000 you could then have put plan B or plan C in place.

This is how we believe the pre bidding works best for buyers.

## Delivery of your purchased dog/s

All dog/s purchased online will be transported to Foxboro Boarding Kennels, Glen Innes at the conclusion of the sale. All dogs have been vaccinated to meet boarding kennel requirements. The boarding fees are \$20/night – payable by the purchasers.

Dog/s will be transported from Foxboro Boarding Kennels, by Dog Movers at a discounted rate to your area. See detailed Dog Movers Information in catalogue.

If you are present at the sale, have settled your invoice or booked your purchase to a preferred agent, your dog/s can be taken after the conclusion of the sale.

### COMMENT

Cruz is a 5 year old dog by the well known AMOS ZONE. He is fully trained, and can work both sheep and dry cattle. He excels in Yard work though and will back sheep all day and has an effective bark when needed. He can work in the paddock off a quad bike and ute. Cruz is a good dog to have around and is being sold very reluctantly due to change of direction on the farm.

**COMMENT** 'Socks' is an excellent, young dog by our imported NZ heading dog 'Wave' and out of a bitch I bred called 'Moss'  
Over the last 12 mths, Socks has been used as one of my main dogs mustering cattle and is often used on his own. He's a great lead dog with a good cast and excellent bite on the nose of cattle. He's an exceptional type, that's smart, isn't whip shy and can cover plenty of country. His 3/4 brother 'Sam' sold very well at last year's sale.  
A well bred, genuine dog that's set and ready to go to work.

Free back and bark in the yards and tough in a race. Good dog to have around with a great temperament. Will suit all disciplines especially someone with big numbers of stock. # NEVER GET A CHIHUAHUA TO DO A KELPIE'S JOB.

**Nobody works harder on the farm than a working dog**

Approximately 275,000 working dogs in Australia (one of the largest working dog populations in the world)

Working dogs can cover up to 60km of distance in a day.

Research suggests a Working Dog's lifetime value on the farm is \$40,000

An average of 4 dogs per farm.

Farmers are spending up to \$12,000 on their dogs

Working dogs have enormously higher energy requirements, and farmers have trouble with dogs keeping weight on

A strong emotional bond between the farmer and the working dog, but not seen as a pet.
